

A photograph of a farm scene. In the foreground, a white wooden fence runs across the frame. Behind it is a lush green field. In the middle ground, there are several red barns with white roofs and walls, and two large black silos. A dirt path or stream bed is visible in the field. In the background, there are green trees and a blue sky.

# **OVERALLS AND WADERS DO GO TOGETHER**

Stream Restoration at  
Maple Dell Farm

**FIGURE 1**  
**CATTAIL CREEK PROJECT**  
**ACTIVITY MAP**  
**HOWARD COUNTY, MARYLAND**

Date: 4/13/2016

Checked by: DG

# Who is Involved?

- **Howard County** (MS4 Permit Holder and Funder)
- **Washington Suburban Sanitary Commission** (Funder and downstream Reservoir Owner)
- **Resource Environmental Solutions** (Aggregator and Contractor)
- **Maple Dell Farms, Inc.** (Farm Owner)
- **Howard SCD**, (Facilitator, BMP designs)
- **NRCS** (EQIP Funding and BMP design)

# Benefits

- One Owner to deal with, as opposed to an urban setting with lots of homeowners,
- Cheaper project costs (land rights, construction design and installation),
- Lots of credits, all in a nice neat project package,
- Landowner gets improvements made,
- Endless Educational possibilities,
- Water quality of the stream and reservoir improve
